Nebraska's Champion Quickly Feels Brighter and Better in Brain and Body When He Takes

PAINE'S CELERY COMPOUND.

It Gives Almost Instant Effect.

"Paine's Celery Compound has helped me greatly in my training. For years it has been a household remedy in our family. We take a little course of it every spring to freshen us up. It does better than ordinary blood medicines, because it not only cleans the system, but increases strength. I can feel at once how much QUICKER AND SHARPER MY MIND AND EYE ARE when Paine's Celery Compound has been taken. I can also say from experience in my family that it is a splendid building up medicine for anybody who is run down."—George (Kid) Bell, Champion of Nebraska (11 lbs.), Thurston Hotel, Omaha. The unanimous evidence of Athletes, Professional Men, Business Workers, Dried Mothers and Weak Girls, alike proves the instant strength-making and health-building effect of this celebrated Nerve Vitalizer and Tonic, Paine's Celery Compound. Doctors of every school know this famous formula, and prescribe it constantly. It was discovered by the eminent Professor Edward E. Phelps, of Dartmouth University.

MISTAKEN DIAGNOSIS.
There are many people who have pains in the back and imagine that their kidneys are affected, while their only trouble is rheumatism of the muscles, which can be cured by a few applications of Chamberlain's Pain Balm, or by dampening a piece of flannel with the Pain Balm and binding it over the affected parts. A pain in the side of chest should be treated in the same manner and prompt relief is sure to follow. For sale by all dealers. Benson Smith & Co., agents for Hawaii.
